

Dear Neighbour

Re: Randex Health Grand National Festival: 12-13-14 April 2018

Notification of Planned Road Closures

Once again, this year the implementation of the road closures for the Randex Health Grand National Festival and management of them prior to and during the event will be carried out by Aintree Racecourse Company Ltd. Aintree Racecourse has contracted SEP Traffic Management Company to manage the closures on our behalf. Merseyside Police have supported both SEP and Aintree in the planning of the above.

The plan is aimed at the safety of persons attending the event and the local communities, whilst working to minimise the disruption that it causes. Your understanding in regards to the traffic management plan is greatly appreciated and also your continued assistance in this matter in helping Aintree Racecourse Ltd, SEP and Merseyside Police in carrying out their job and hosting what is a safe and successful event for all.

As token of our appreciation for your understanding around the measures in place for the Randex Health Grand National Festival we would also like to offer all residents the offer of two tickets per household for our 10th November fixture.

Simply bring this letter and a utility bill for the property that sits within the road closures during the festival and you will be able to redeem these tickets our reception from the hours of 9am till 5pm from Monday to Friday from the 2nd July until 5pm on the 9th November.

The following road closures *will* operate on Thursday 12th, Friday 13th & Saturday 14th April 2018 during the hours of **4pm and 8pm Thursday & Friday, 5pm and 9pm on Saturday** to facilitate the safe movement of vehicles and pedestrians at the end of the race meeting:

- Warbreck Moor between Park Lane and the Black Bull.
- Ormskirk Road between Topham Drive and Park Lane.
- Park Lane between Ormskirk Road and Bridle Road

Please note that during exceptional circumstances it may be necessary to implement any or all of the above closures outside of the pre-determined hours detailed without prior notice.

If you should see anything suspicious, or of an unusual nature in the run up to or indeed during the Grand National Race meeting please contact Crime Stoppers on **0800 555 111**. In the case of an urgent call you should use the '999' system as you would for any normal emergency requiring immediate Police attention.

Enquiries relating to Traffic Issues should be directed to SEP on 07482 327969. Please note this line only operates during the operational hours of the event.

Please find attached a schedule of road closures and parking restrictions which will be put in place as part of the traffic management plan.

The Randex Health Grand National Festival Residents Meeting will be held on Friday 23Rd March at 18.30 – Aintree Racecourse, Princess Royal Stand – 4th Floor.

Yours Sincerely

Carl Pastor

Operations Manager
Aintree Racecourse

Randex Health Grand National Festival 2018

Your co-operation is essential in the interests of road safety and your own convenience. Enquiries relating to [Traffic Issues](#) should be directed to SEP on **07482 327969** during the operational times of the event.

Road Closures

A series of road closures are implemented in and around Aintree to facilitate the transport management plan for the Grand National. Exact details of each closure are shown below. The closures will be implemented and maintained by SEP using suitably qualified operatives where necessary. Aintree Racecourse will make the applications for closures directly to Liverpool City Council, Sefton Borough Council and/or local councils as appropriate.
